Provides very high protection for skin exposed to UV rays and helps to prevent premature aging of skin.

Recommended for : Powerful UVA/UVB filters certified at SPF 50+ offer very high protection. The skin is optimally protected by dispersed micro-mineral filters, for superior comfort and a transparent finish.

As often as necessary ●

KEY INDICATIONS

Acn-Prone Skin

What is it?

Oil and dead skin cells block pores which can cause pimples, spots, blackheads and in severe cases may cause red lumps or painful cysts.

How does Dermaceutic address it?

Dermaceutic cosmeceuticals remove impurities, excess sebum and dead cells, purifying combination and oily skin.

Signs of Skin Aging & Pigment Spots

What is it?

Sun exposure in addition to environmental factors are the major causes of premature skin aging.

How does Dermaceutic address it?

Dermaceutic cosmeceuticals help stimulate skin radiance and revitalize appearance, prevent damage from free radicals and combat the appearance of signs of aging (wrinkles, lines, uneven skin texture).

Pigment Spots & Melasma

What is it?

Dark spots and hyperpigmentation are caused by an increase in the skin's melanin content.

How does Dermaceutic address it?

Dermaceutic cosmeceuticals help to minimize the appearance of pigment spots, promote skin radiance and harmonize complexion.
