Skintelligent science

Dermaceutic, the expert in aesthetic dermatology

Dermaceutic was founded in 2002 on the strong belief that **science is the skin's natural ally**. We use the best scientific expertise to strengthen and support the skin's natural powers, for faster and more effective results.

Born from a collaboration between French dermatologists, Dermaceutic is now **the number one chemical peel brand in France**, and has brought its art of formulation to the cosmeceutical industry.

Today, we partner with more than 30,000 skin professionals in more than 70 countries around the world. By working closely with these specialists, we gain vital and ever-evolving insights into different skin types, phototypes and unique patient expectations.

We elevate skincare standards using the latest scientific technology and expertise, and by delivering exceptional results for every individual's skin. Whatever the skin concern or aesthetic procedure, our mission is to provide the right combinations of actives at the most effective concentrations.

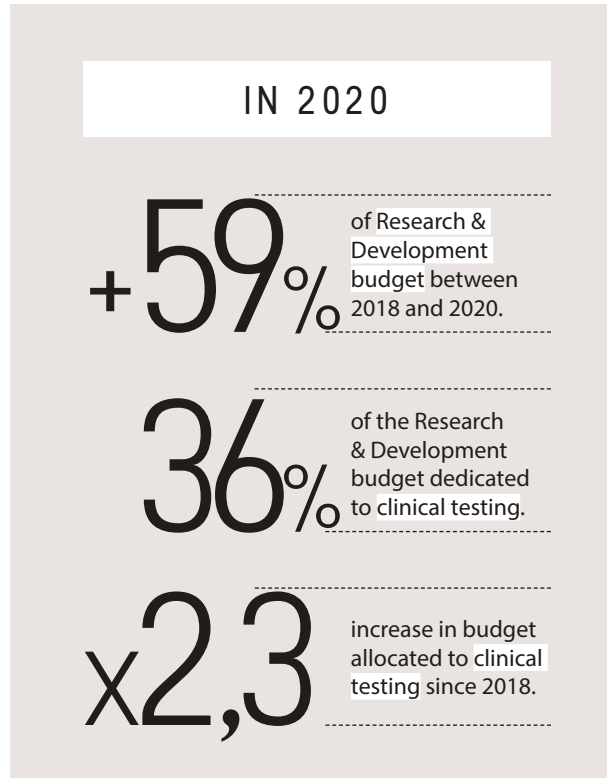

We aim to maintain our position as the **expert in aesthetic dermatology** through our passion for scientific discoveries and our insatiable curiosity for skin science, our continued strategic partnerships with dedicated and passionate distributors, and through our strong relationships with a large network of experts in the scientific community.

This is skintelligent science.

Formulation charter

Our innovative products adhere to a strict formulation chart:

- Rigorous ingredient selection procedures
- Highest grade actives at optimal concentrations
- Proven safe and effective through extensive clinical testing under dermatological control
- Formulated and produced in France

6 essential actions

Scientifically designed skincare recommended by professionals. Dermaceutic's cosmeceutical range offers a smart combination of active ingredients at the highest concentrations to boost the skin's natural powers.

A cosmeceutical line divided into six essential actions that combined, address all of the main skin indications.

High-performance cleansers and exfoliants
to purify the skin and remove make-up

Xylitol

Anti-dehydration agent which promotes and controls water flow and improves the appearance of skin micro relief.

Zinc

Sebo-regulating and smoothing agent, recognized for its antiseptic properties.

Niacinamide

Soothing and anti-seborrheic active that helps to reduce the appearance of acne-prone skin.

Glycolic acid

AHA known for its keratolytic action that stimulates cell renewal.

★ NEW 2021

Directions for use: Apply to the face and eyes with a cotton pad in the morning and evening on dry skin. Do not rinse.

FRAGRANCE FREE
400ml / 13.53 fl.oz

OXYBIOME CLEANSING MICELLAR WATER

Oxybiome effectively removes make-up and **purifies** the skin. Supports the skin's natural microbiota. Anti-pollution effect.

For daily cleansing. All skin types, ideal for imperfections and redness.

ACTIVE INGREDIENTS

Microbiota regulator

A blend of natural components that provides a variety of nutrients to reduce skin redness, imperfections and inflammation by supporting skin microbiota.

Zinc gluconate

Sebo-regulating and smoothing agent that minimizes the appearance of enlarged pores and accelerates wound healing. Recognized for its antiseptic properties, zinc is useful for acne-prone skin.

Niacinamide

Soothing and anti-seborrheic active, known as vitamin B3 or vitamin PP, that helps to reduce the appearance of acne-prone skin, sebum production and redness.

EXPECTED BENEFITS

- Skin is clean and soothed
- Skin is purified
- Skin microbiota is supported for healthy skin

CLINICALLY TESTED

Oxybiome has proven to be effective in helping remove 98% of carbon particles from the skin surface versus 82% on control area.*

100% of patients agree that their skin is free from impurities, clear and smooth.**

of patients agree that their skin feels fresh after using Oxybiome.**

*In vivo study of Oxybiome on 10 volunteers. European independent clinical research organization.

**In vivo study of Oxybiome in combination with Actibiome on 23 volunteers for 28 days. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply two pea-sized amounts to wet skin, massage and rinse with water.

150ml / 5.1 fl.oz

ADVANCED CLEANSER ALL-IN-ONE CLEANSING FOAM

Advanced Cleanser effectively removes make-up and excess sebum.
For daily cleansing. All skin types.

ACTIVE INGREDIENTS

Xylitol

Anti-dehydration agent which maximizes water circulation, to improve scaling and the appearance of skin micro relief.

Zinc PCA

Anti-seborrheic active associated with the penetration vector L-PCA (Pyrrolidone Carboxylic Acid) ensures the optimal bioavailability of zinc. Its ability to reduce sebum production and its anti-microbial properties make it suitable for oily skin.

Urea

One of the hygroscopic substances that constitutes the NMF (Natural Moisturizing Factors) located in the stratum corneum which removes scales from the skin's surface and restores suppleness.

Glycerin

Hygroscopic substance which provides a hydrating and protective film.

EXPECTED BENEFITS

- **Effective make-up removal**
- **Skin appears clean and purified**
- **Skin feels hydrated**

CLINICALLY TESTED

86% of patients agree that excess sebum and skin impurities are effectively removed.*

*In vivo study of Advanced Cleanser efficacy on 22 volunteers for 28 days in combination with Tri Vita C 30 and Tinted Sun Ceutic 50+. European independent clinical research organization.

Visit our website for more details.

Directions for use: Once a day, apply a small amount to a clean and dry face. Massage and rinse with water after two minutes or as soon as you start to feel a tingling sensation. Avoid the eye contour area.

FRAGRANCE FREE
100ml / 3.4 fl.oz

FOAMER 5 / 15 EXFOLIATING FOAMS

Foamer 5 & Foamer 15 effectively **purify** the skin. The glycolic acid exfoliates the skin and removes dead cells and impurities, while enoxolone soothes the skin.

For dull complexion, irregular texture and imperfections. All skin types, Foamer 15 is ideal for normal to oily skin.

ACTIVE INGREDIENTS

5% / 15% Glycolic acid

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

Enoxolone

Powerful anti-inflammatory agent extracted from licorice root. Also called beta glycyrrhetic acid, it is renowned for its soothing and calming properties.

EXPECTED BENEFITS

- Skin is left clean and smooth
- Natural skin glow appears restored
- Pores are visibly tightened

CLINICALLY TESTED

95% of patients agree that their skin feels smooth and silky after using Foamer 15.*

*In vivo study for the efficacy evaluation of Foamer 15 on 21 volunteers for 28 days in combination with Derma Lift 5.0 and Regen Ceutic. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply a pea-sized amount to the face and neck in a thin, even layer. Leave on for two to four minutes and rinse off with water. Use once or twice a week.

FRAGRANCE FREE
50ml / 1.69 fl.oz

MASK 15 PURIFYING MASK

Mask 15 **purifies** the skin by removing imperfections and dead skin cells. Salicylic and glycolic acids, combined with bentonite, reduce excess oiliness and the appearance of large pores.

For imperfections and irregular texture. All skin types, ideal for oily and acne-prone skin.

ACTIVE INGREDIENTS

15% Glycolic acid

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

Bentonite

Highly absorbent clay saturated with fats that helps to tighten the pores and removes toxins and impurities from the skin's surface.

2% Salicylic acid

BHA (Beta Hydroxy Acid) causing a keratolytic action that reduces intercorneocyte cohesion, and destroying lipids that bind the outer cells of the epidermis. Its lipophilic nature helps unclog pores.

EXPECTED BENEFITS

- Skin is purified, clear and radiant
- Pores are visibly tightened
- Appearance of skin imperfections is visibly reduced

CLINICALLY TESTED

83% of patients feel their skin has improved after using Mask 15.*

*In vivo study on the tolerance and efficacy of Mask 15 on 10 volunteers for 21 days with acne-prone skin. European independent clinical research organization.

Visit our website for more details.

★ NEW END 2021

Powerful acids that work overnight to boost the skin's natural regeneration power, harmonize complexion and improve the appearance of skin imperfections

Glycolic acid

AHA known for its keratolytic action that stimulates cell renewal.

Salicylic acid

BHA with a lipophilic nature that helps to unclog pores.

★ NEW END 2021

Directions for use: Apply to the face and neck area in the evening. Avoid the eye contour area.

40ml / 1.35 fl.oz

Stimulate

ACTIBIOME ACNE-PRONE SKIN NIGHT CREAM

Actibiome exfoliates and unclogs pores thanks to the keratolytic action of salicylic and glycolic acids. Supports the skin's natural microbiota in its fight against harmful bacteria to reduce excess sebum.

For skin imperfections and redness. All skin types, ideal for oily to combination and acne-prone skin.

ACTIVE INGREDIENTS

10% Glycolic acid solution

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

Microbiota regulator

A blend of natural components that provide a variety of nutrients to reduce skin redness, imperfections and inflammation by supporting skin microbiota.

1% Salicylic acid

BHA (Beta Hydroxy Acid) causing a keratolytic action that reduces intercorneocyte cohesion, and destroying lipids that bind the outer cells of the epidermis. Its lipophilic nature helps unclog pores.

2% Purifying active

Biomimetic agent inspired by the natural defense mechanism of a marine algae to fight against pathogen attacks. It acts by decreasing lipid production and inhibiting bacteria growth while improving the recruitment of keratinocytes and decreasing inflammatory mediators for treating, repairing and soothing actions.

RESULTS

- Skin imperfections and redness are visibly reduced
- Pores are tightened and skin is smooth
- Skin microbiota is supported for clear and healthy skin

CLINICALLY TESTED

100% of patients feel their skin is healthy after following the routine.*

of patients agree that the routine tightens pores, reduces imperfections and redness.*

of patients agree that the routine smoothes the skin.*

65% reduction in papules when used in combination with Oxybiome micellar water.*

*In vivo study of Actibiome in combination with Oxybiome on 23 volunteers for 28 days. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply to face and neck area in the evening. Avoid the eye contour area.

40ml / 1.35 fl.oz

Stimulate

LIGHT CEUTIC UNIFYING NIGHT CREAM

Light Ceutic gently exfoliates the skin and reduces the appearance of pigment spots, thanks to the combined action of glycolic acid, phytic acid and vitamin C. This exfoliation process allows the skin to naturally regenerate overnight.

For irregular and dull complexion. All skin types.

ACTIVE INGREDIENTS

8% Glycolic acid solution

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

4% Phytic acid solution

Lightening and antioxidant agent that has a synergic action to brighten the complexion when used with glycolic acid.

Vitamin C complex

Potent antioxidant, obtained by vectorizing L-Ascorbic acid using silanol technology, providing protection against the free radicals responsible for photoaging.

EXPECTED BENEFITS

- **Natural skin radiance appears restored**
- **Overall complexion is visibly harmonized**

CLINICALLY TESTED

100% of patients trust the efficacy and performance of Light Ceutic.*

*In vivo study for the combined efficacy of Dermaceutic peel and homecare products on 8 caucasian, asian and dark skin volunteers for 56 days. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply to face and neck area in the evening. Avoid the eye contour area.

FRAGRANCE FREE
40ml / 1.35 fl.oz

Stimulate

TURN OVER REJUVENATING NIGHT CREAM

Turn Over reduces the signs of skin aging by removing dead cells. Its highly concentrated glycolic acid solution supports the skin's natural turnover to reduce the appearance of loss of skin tone, wrinkles and fine lines.

For loss of skin tone, wrinkles and fine lines. All skin types.

ACTIVE INGREDIENTS

15% Glycolic acid solution

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

EXPECTED BENEFITS

- Skin is smoother
- Skin appears rejuvenated

CLINICALLY TESTED

85% of patients trust the efficacy and performance of Turn Over.*

*In vivo study for the combined efficacy of Dermaceutic peel and homecare products on 7 caucasian, asian and dark skin volunteers for 56 days. European independent clinical research organization.

Visit our website for more details.

Restore

Intense repairing creams to nourish, soothe and restore for optimal comfort

Hyaluronic acid solution

Moisturizing agent that protects against transepidermal water loss.

Aloe vera extract solution

Moisturizing and wound healing active that soothes the skin and reduces inflammation.

Shea butter

Hydrating and nourishing agent highly concentrated in fatty acids and vitamins.

FRAGRANCE FREE
HYPOALLERGENIC
40ml / 1.35 fl.oz

Directions for use: Apply to the face in the morning and evening. Can be applied to the eye contour area.

Restore

HYAL CEUTIC INTENSE HYDRATING CREAM

Hyal Ceutic intensively hydrates and protects the skin all day long thanks to an optimal concentration of high and low weight hyaluronic acids. A combination of powerful ingredients including aloe vera enhances its soothing and repairing action. Prevents signs of skin aging. Anti-pollution action.

For dehydrated skin and the first signs of skin aging. All skin types, ideal for oily to combination skin.

ACTIVE INGREDIENTS

5.5% Hyaluronic acid solution

Combination of high and low molecular weights that penetrates the skin at different levels. It reduces the skin's transepidermal water loss for optimal hydration, helps to stimulate the skin's defense and promotes skin healing.

10% Aloe vera extract solution

Moisturizing and wound healing active that soothes the skin and reduces inflammation.

Jjoba oil

Softening agent that creates a non-oily moisturizing layer on the surface of the skin with semi-occlusive properties to reduce transepidermal water loss.

Vitamin E ester

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging (damage caused by the sun).

Shea butter

Hydrating and nourishing agent highly concentrated in fatty acids and vitamins.

RESULTS

- Skin is replenished
- Natural moisture level of the skin appears restored

CLINICALLY TESTED

91% of patients agree that their skin feels replenished after using Hyal Ceutic.*

- Effectively helps remove 99% of carbon particles from the skin's surface versus 69% on control area.**
- Provides a long-lasting moisturizing effect and increases hydration by 8.8% up to 24 hours after application.**

*In vivo study for the efficacy evaluation of Hyal Ceutic on 21 volunteers in combination with Activ Retinol and Foamer 5 for 28 days. European independent clinical research organization.

**Two in vivo studies on 10 volunteers. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply to the face in the morning and evening. Can be applied to the eye contour area.

FRAGRANCE FREE
40ml / 1.35 fl.oz

Restore

REGEN CEUTIC NOURISHING HYDRATING CREAM

Regen Ceutic nourishes and firms the skin thanks to its peptides complex. The addition of hyaluronic acid and powerful antioxidants boosts the skin's natural power to protect and repair itself. Prevents signs of skin aging.

For aged and dry skin. All skin types.

ACTIVE INGREDIENTS

3% Peptides complex

Combination of two amino acids linked to a fatty acid that improves skin penetration, which helps stimulate skin repairs and collagen synthesis for younger-looking skin.

3% Hyaluronic acid solution

Moisturizing agent that maintains skin hydration thanks to its hygroscopic properties and protects against transepidermal water loss for optimal hydration.

Vitamin C ester & Vitamin E

Synergy of two vitamins that provides ultimate protection against photoaging.

Shea butter

Hydrating and nourishing agent highly concentrated in fatty acids and vitamins.

EXPECTED BENEFITS

- Skin is intensively restored
- Superior skin comfort
- Appearance of wrinkles is visibly diminished

CLINICALLY TESTED

95% of patients feel that their skin is firmer and regenerated.*

*In vivo study of Regen Ceutic efficacy on 21 volunteers for 28 days in combination with a food supplement. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply to the face in the morning and as often as required throughout the day. Avoid the eye contour area.

FRAGRANCE FREE
HYPOALLERGENIC
30ml / 1.0 fl.oz

K CEUTIC POST-TREATMENT CREAM

☀️ SPF 50 - UVA / UVB

K Ceutic **restores** and protects the skin by delivering essential nutrients and a very high SPF 50. Its advanced formula contains a combination of ingredients designed to repair, nourish, protect and soothe the skin.

For fragile skin, redness and post-aesthetic treatment. All skin types.

ACTIVE INGREDIENTS

K Complex

Combination of anti-inflammatory agents that soothe the skin.

Glycoprotein

Restructuring and regenerative active that stimulates collagen and elastin production.

Vitamins C & E

Sodium salt form of vitamin C combined with the vitamin E ester form, providing the ultimate protection against photoaging.

UV filters

Combination of mineral and organic filters that offers broad spectrum protection against UVB and UVA rays.

EXPECTED BENEFITS

- **Skin is intensively nourished and protected from UV ray damages**
- **Appearance due to photoaging is improved**
- **Redness and irritations appear soothed for optimal recovery time after aesthetic treatments**

CLINICALLY TESTED

84% of patients feel that K Ceutic is a high-performance product.*

*In vivo study for the combined efficacy of Dermaceutic peel and homecare products on 43 caucasian, asian and dark skin volunteers for 56 days. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply to the skin when needed.

FRAGRANCE FREE
30g / net wt. 1.05 oz

Restore

PANTHENOL CEUTIC NOURISHING RESTORING OINTMENT

Panthenol Ceutic **restores** and highly nourishes the skin thanks to ingredients such as panthenol, shea butter and beeswax. Its combination of powerful hydrating and repairing actives helps to soothe the skin.

For post-aesthetic procedures. All skin types, ideal for sensitive and/or very dry skin.

ACTIVE INGREDIENTS

5% Panthenol

Moisturizing agent to provide an immediate calming effect on irritated skin.

1% Bisabolol

Highly tolerated soothing active with anti-inflammatory and skin healing properties.

Shea butter & Beeswax

Hydrating actives that prevent dryness and nourish the skin thanks to its film-forming properties to protect it from environmental aggressions.

Vitamin E ester

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging (damage induced by sun).

EXPECTED BENEFITS

- **Skin is soothed**
- **Skin is highly nourished**
- **Suppleness and comfort are restored**

Visit our website for more details.

SPF 50+ to provide very high sun protection with age defense properties

UV filters

Combination of mineral and organic filters that offer broad spectrum protection against UVB and UVA rays.

Hyaluronic acid

Moisturizing agent that helps to stimulate skin defense.

Stem cell stimulator

Epidermal restoration accelerator that improves skin healing and decreases inflammatory reaction.

Directions for use: Evenly apply to the face, neck and décolleté 10 minutes before sun exposure. Renew application frequently, especially after contact with water.

FRAGRANCE FREE
50ml / 1.69 fl.oz

SUN CEUTIC 50+ AGE DEFENSE SUN PROTECTION

☀️ SPF 50+ - UVA / UVB

ALSO AVAILABLE IN UNIVERSAL SHADE ●

Sun Ceutic 50+ **protects** the skin thanks to powerful UVA/UVB filters and certifies a SPF 50+. Its unique stem cell stimulator, associated with hyaluronic acid, helps to prevent signs of photoaging.

Ideal for dry to normal skin.

ACTIVE INGREDIENTS

UV filters

Combination of mineral and organic filters that offer broad spectrum protection against UVB and UVA rays.

Hyaluronic acid

Moisturizing agent that maintains skin hydration thanks to its hygroscopic properties, helps to stimulate skin defense and promotes skin healing.

Aloe vera

Moisturizing and wound healing active that soothes the skin and reduces inflammation.

Stem cell stimulator

Marine algae derivative that accelerates epidermal restoration, improves skin healing and decreases inflammatory reaction to smooth out the appearance of wrinkles.

EXPECTED BENEFITS

- Skin is effectively protected from harmful UVA/UVB rays
- Skin is protected against signs of photoaging: dark spots, fine lines and dehydration

CLINICALLY TESTED

90% of patients are confident Sun Ceutic 50+ works.*

*Two in vivo studies for the combined efficacy of Dermaceutic peel and homecare products out of a total of 50 caucasian, asian and dark skin volunteers for 56 days. European independent clinical research organization.

Visit our website for more details.

 Prevent

Innovative skincare to prevent the signs of aging,
for younger-looking, healthier skin

Retinol complex

Anti-aging agent that boosts collagen production to combat signs of photoaging.

Vitamin C complex

Potent antioxidant providing protection against free radicals.

Vitamin E ester

Antioxidant that helps to combat free radicals responsible for photoaging.

Ceramides

Hydrating agent that reinforces the barrier function and helps the skin to self-regenerate.

Directions for use: Apply in the morning, on its own or over your daily cream and throughout the day as needed.

FRAGRANCE FREE
40ml / 1.35 fl.oz

Prevent

DERMA DEFENSE DAILY DEFENSE CREAMS

☀️ SPF 50

AVAILABLE IN LIGHT SHADE ● AND MEDIUM SHADE ●

Derma Defense with SPF 50 intensely hydrates skin, homogenizes skin tone and protects against UV rays.

For all skin types.

ACTIVE INGREDIENTS

Xylitol

Anti-dehydration agent which maximizes water circulation, to improve scaling and the appearance of skin micro relief.

Licorice extract

Lightening agent that regulates the dispersion of melanin (agent responsible for pigment spots) to help homogenize complexion.

Vitamin E ester

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging (damage caused by the sun).

UV filters

Combination of organic filters that act chemically by absorbing ultraviolet light to ensure skin photoprotection.

RESULTS

- Skin is hydrated and protected against UV rays
- Skin tone is homogenized

CLINICALLY TESTED

95% of patients feel their skin is smoother and more even.*

*In vivo study for the subjective efficacy of the effect of Derma Defense on 20 volunteers for 21 days. European independent clinical research organization.

Visit our website for more details.

30ml / 1.0 fl.oz

Directions for use: Apply to the face in the morning, followed by high sun protection.

Prevent

C25 CREAM ANTIOXIDANT CONCENTRATE

C25 Cream **prevents** the appearance of free radical damage and premature signs of skin aging thanks to its powerful antioxidant formula. A synergy of vitamins C, A, B5 and E neutralizes the effect of oxidative stress.

For dull and irregular complexion, fine lines and wrinkles. All skin types.

ACTIVE INGREDIENTS

25% Vitamin C complex

Potent antioxidant, obtained by vectorizing L-Ascorbic acid using silanol technology, providing protection against the free radicals responsible for photoaging.

Vitamin A ester

The most stable and tolerated form of vitamin A. It improves the texture of the skin and helps combat the signs of aging.

Vitamin B5

Moisturizing agent to provide an immediate soothing effect on irritated skin.

Vitamin E ester

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging (damage caused by the sun).

Polyphenols

Found naturally in grapes, especially red grapes, polyphenols act as powerful antioxidant, preventing lipid peroxidation, and as an anti-inflammatory agent.

EXPECTED BENEFITS

- Skin is revitalized and protected from oxidative stress
- Complexion appears radiant and harmonized
- Appearance of fine lines and wrinkles is reduced

CLINICALLY TESTED

80% of the patients trust the efficacy and performance of C25 Cream.*

* Two in vivo studies for the combined efficacy of Dermaceutic peel and homecare products out of a total of 50 caucasian, asian and dark skin volunteers for 56 days. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply to the face and neck in the evening before your daily care. Avoid the eye contour area.

FRAGRANCE FREE
30ml / 1.0 fl.oz

Prevent

ACTIV RETINOL 0.5 / 1.0 AGE DEFENSE SERUMS

Activ Retinol 0.5 & Activ Retinol 1.0 **prevent** the appearance of signs of skin aging thanks to an optimal concentration of retinol. Combined with a cocktail including antioxidants and ceramides, it helps to protect and strengthen the skin.

For aging skin with loss of elasticity and dull complexion. All skin types.

ACTIVE INGREDIENTS

Retinol complex

Anti-aging agent that boosts collagen production to combat signs of photoaging and improves the skin texture.

1% Ceramides

Hydrating agent that reinforces the barrier function, provides a well-balanced moisture content and helps the skin to self-regenerate.

Vitamin C ester & Vitamin E

Synergic combination of two powerful vitamins providing the ultimate protection against photoaging.

Panthenol & Allantoin

Moisturizing and soothing agents that provide moisture and skin comfort.

EXPECTED BENEFITS

- **Appearance of fine lines and wrinkles is reduced**
- **Natural skin radiance appears restored**
- **Skin texture is visibly smoother**

CLINICALLY TESTED

90% of patients feel this protocol improves skin texture.*

*In vivo study for the efficacy evaluation of Activ Retinol 0.5 on 21 volunteers in combination with Hyal Ceutic and Foamer 5. European independent clinical research organization.

Visit our website for more details.

★ NEW 2020

Expert care to target specific concerns and reduce visible skin imperfections

Kojic acid

Depigmenting agent that blocks melanin synthesis, responsible for pigments spots.

Niacinamide

Lightening agent that inhibits the transfer of melanosomes and helps to decrease the appearance of skin redness.

Licorice extract

Lightening agent that regulates the dispersion of melanin to help homogenize complexion.

Peptides complex

Combination of two aminoacids to help stimulate skin repair and collagen synthesis.

Directions for use: Apply to the eye contour area in the morning and evening, before your daily care.

FRAGRANCE FREE
30ml / 1.0 fl.oz

DERMA LIFT 5.0 EYE LIFTING SERUM

Derma Lift 5.0 is formulated for an immediate lifting effect combined with long-term peptide skin-boosting action. Its synergy of ingredients improves the appearance of free radical damage and the signs of skin aging.

For the appearance of sagging skin, expression lines and fine wrinkles. All skin types.

ACTIVE INGREDIENTS

5% Peptides complex

Combination of two amino acids linked to a fatty acid which improves skin penetration to help stimulate skin repairs and collagen synthesis for younger looking skin.

4% Tensing agent

Film former copolymer that provides an instant lifting effect.

0.5% Bakuchiol

Retinol-like agent derived from a vegetal source and known as an effective antioxidant. It stimulates the renewal of skin cells and collagen production.

1% Ceramides

Hydrating agent that reinforces the barrier function, provides a well-balanced moisture content and helps the skin to self-regenerate.

Panthenol, Allantoin & Mineral cocktail

Hydrating and nourishing actives that reinforce the skin barrier and intensely hydrate the skin.

EXPECTED BENEFITS

- Skin immediately appears lifted and replenished
- Skin looks younger and feels revitalized

CLINICALLY TESTED

90% of patients feel that the routine hydrates the skin.*

79% of patients feel that the routine improves skin texture.*

74% of patients feel that the skin is firmer.*

*In vivo study for the efficacy evaluation of Derma Lift 5.0 on 21 volunteers for 28 days in combination with Regen Ceutic and Foamer 15. European independent clinical research organization.

Visit our website for more details.

★ NEW 2020

Directions for use: Apply in the evening on the full face, focusing especially on pigmented areas. Begin twice a week and increase frequency progressively. 3 month treatment recommended.

FRAGRANCE FREE
30ml / 1.0 fl.oz

RADIANCE BRIGHTENING CREAM

Radiance gently exfoliates the skin and restores the skin's radiance thanks to the synergy of high-performance acids and lightening agents in optimal concentrations.

For dull complexion, uneven skin texture and skin tone.

ACTIVE INGREDIENTS

Kojic acid

Depigmenting agent that inactivates tyrosinase by chelation reaction, blocking melanin synthesis responsible for pigment spots.

Arbutin

One of the most potent actives that reduces tyrosinase activity and therefore the production of melanin.

Niacinamide

Lightening agent that inhibits the transfer of melanosomes. It is also known as vitamin B3 or vitamin PP and helps to decrease the appearance of skin redness.

Salicylic & Mandelic acids

BHA and AHA that reduce intercorneocyte cohesion by destroying lipids that bind the outer cells of the epidermis with their keratolytic properties.

RESULTS

- **Complexion is homogenized**
- **Pigment spots are visibly reduced**
- **Skin luminosity is restored**

CLINICALLY TESTED

68% of patients find that their skin has **less visible skin imperfections***

72% of patients find their **skin more luminous***

*In vivo study conducted on 22 volunteers from 43 to 70 years old for 28 days. European independent clinical research organization.

Visit our website for more details.

Directions for use: Apply in the evening on dark spot areas. Avoid the eye contour area.

FRAGRANCE FREE
15ml / 0.50 fl.oz

YELLOW CREAM DARK SPOT CORRECTOR

Yellow Cream **targets** and reduces the appearance of dark spots thanks to optimally concentrated lightening agents associated with the exfoliating action of glycolic and salicylic acids.

For dark spots, skin imperfections and irregular complexion.

ACTIVE INGREDIENTS

Kojic acid

Depigmenting agent that inactivates tyrosinase by chelation reaction that blocks the melanin synthesis responsible for pigment spots.

Alpha-arbutin

One of the most potent actives that reduces tyrosinase activity and therefore the production of melanin.

Licorice extract

Lightening agent that regulates the dispersion of melanin (agent responsible for pigment spots) to help homogenize complexion.

Morus alba extract

Antioxidant agent rich in resveratrol and vitamin C, it limits the production of melanin by inhibiting tyrosinase to effectively reduce pigment spots.

Glycolic & Salicylic acids

AHA and BHA that speed up exfoliation and destroy lipids that bind the outer cells of the epidermis, to help promote cell renewal and brighten the complexion.

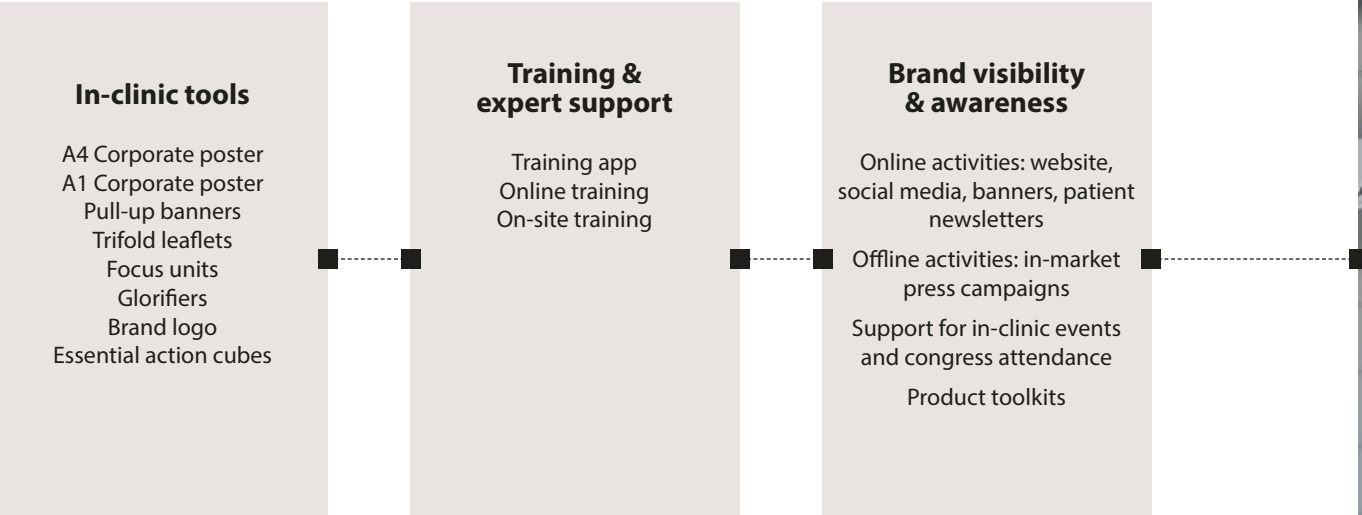

EXPECTED BENEFITS

- **Dark spots are visibly reduced**
- **Overall complexion is more even**
