Skintelligent Science

Dermaceutic, the expert in aesthetic dermatology

Dermaceutic was founded in 2002 on the strong belief that **science is the skin's best ally**. We use the best scientific expertise to strengthen and support the skin's natural powers, for faster and more effective results.

Born from a collaboration between French dermatologists, Dermaceutic is now **the number one chemical peel brand in France**, and has brought its art of formulation to the cosmeceutical industry.

Today, we partner with more than 30,000 skin professionals in more than 80 countries around the world. By working closely with these specialists, we gain vital and ever-evolving insights into different skin types, phototypes and unique patient expectations.

We elevate skincare standards using the latest scientific technology and expertise, and by delivering exceptional results for every individual's skin. Whatever the skin concern or aesthetic procedure, our mission is to provide the right combinations of actives at the most effective concentrations.

We aim to maintain our position as the **expert in aesthetic dermatology** through our passion for scientific discoveries and our insatiable curiosity for skin science, our continued strategic partnerships with dedicated and passionate distributors, and through our strong relationships with a large network of experts in the scientific community.

This is Skintelligent Science.

Formulation charter

Our innovative products adhere to a strict formulation chart:

- + Rigorous ingredient selection procedures
- + Highest grade actives at optimal concentrations
- + Proven safe and effective through extensive clinical testing under dermatological control
- + Formulated and produced in France

MADE IN FRANCE

6 ESSENTIAL ACTIONS

 PURIFY

High-performance cleansers and exfoliants to purify the skin and remove make-up.

 STIMULATE

Powerful acids that work overnight to boost the skin's natural regeneration power, harmonize complexion and improve the appearance of skin imperfections.

 RESTORE

Intense repairing creams to nourish, soothe and restore for optimal comfort.

 PROTECT

SPF 50+ to provide very high sun protection with age defense properties.

 PREVENT

Innovative skincare to prevent the signs of aging, for younger-looking, healthier skin.

 TARGET

Expert care to target specific concerns and reduce visible skin imperfections.

OXYBIOME

CLEANSING MICELLAR WATER

Oxybiome effectively removes make-up and **purifies** the skin. Supports the skin's natural microbiota. Anti-pollution effect. For daily cleansing. All skin types, ideal for imperfections and redness.

ACTIVE INGREDIENTS

2% MICROBIOTA REGULATOR

Blend of natural components providing a variety of nutrients to reduce skin redness, imperfections and inflammation by supporting skin microbiota.

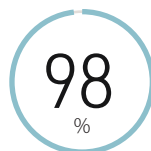

ZINC GLUCONATE

Sebo-regulating and smoothing agent with antiseptic properties that minimizes the appearance of large pores and accelerates wound healing.

NIACINAMIDE

Soothing and anti-seborrheic active, known as vitamin B3 or vitamin PP, that helps to reduce the appearance of acne-prone skin, sebum production and redness.

CLINICALLY TESTED

of **carbon particles are removed** from the skin surface versus 82% on control area.*

of patients agree that their **skin is free from impurities, clear and smooth.****

of patients agree that their **skin feels fresh** after using Oxybiome.**

*In vivo study of Oxybiome on 10 volunteers. European independent contract research organization.

**In vivo study of Oxybiome in combination with Actibiome on 23 volunteers for 28 days. European independent contract research organization.

EXPECTED RESULTS

- + Skin is clean and soothed
- + Skin is purified
- + Skin microbiota is supported for healthy skin

DIRECTIONS FOR USE

Apply to the face and eyes with a cotton pad in the morning and evening on dry skin. Do not rinse.

FRAGRANCE FREE

400 ml / 13.53 fl.oz

ADVANCED CLEANSER

ALL-IN-ONE CLEANSING FOAM

Advanced Cleanser effectively removes make-up and excess sebum.

For daily cleansing. All skin types.

ACTIVE INGREDIENTS

XYLITOL

Anti-dehydration agent which maximizes water circulation, to improve scaling and the appearance of skin micro relief.

ZINC PCA

Anti-seborrheic active that reduces sebum production and offers anti-microbial properties. Its association with the penetration vector L-PCA (Pyrrolidone Carboxylic Acid) ensures its optimal bioavailability.

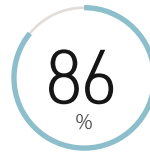

UREA

Hygroscopic substance that constitutes the NMF (Natural Moisturizing Factors) which removes flakes from the skin surface and restores suppleness.

GLYCERIN

Hygroscopic substance which provides a hydrating and protective film.

CLINICALLY TESTED

of patients agree that **excess sebum and skin impurities are effectively removed.***

EXPECTED RESULTS

- + Effective make-up removal
- + Skin appears clean and purified
- + Skin feels hydrated

DIRECTIONS FOR USE

Apply two pea-sized amounts to wet skin, massage and rinse with water.

*In vivo study of Advanced Cleanser efficacy on 22 volunteers for 28 days in combination with Tri Vita C 30 and Tinted Sun Ceutic 50+. European independent contract research organization.

150 ml / 5.1 fl.oz

FOAMER 5 / 15

EXFOLIATING FOAMS

Foamer 5 & Foamer 15 effectively **purify** the skin. The glycolic acid exfoliates the skin and removes dead cells and impurities, while enoxolone soothes the skin.

For dull complexion, irregular texture and imperfections. All skin types. Foamer 15 is particularly recommended for normal to oily skin.

ACTIVE INGREDIENTS

5% / 15% GLYCOLIC ACID

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

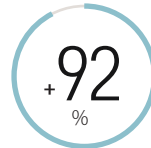

ENOXOLONE

Powerful anti-inflammatory agent extracted from licorice root. Also called beta glycyrrhetic acid, it is renowned for its soothing and calming properties.

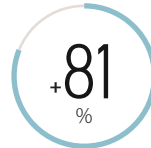

CLINICALLY TESTED

of volunteers think that Foamer 15 intensely **exfoliates the skin, removes dead cells and impurities, and reduces the appearance of imperfections.***

more **radiant complexion.***

smoother skin texture.*

decrease in **pore size.***

*In vivo study on Foamer 15 on 24 volunteers for 28 days. European independent contract research organization.

RESULTS

- + Skin is left clean and smooth
- + Natural skin glow is restored
- + Pores are visibly tightened

DIRECTIONS FOR USE

Once a day, apply a small amount to a clean and dry face. Massage and rinse with water after two minutes or as soon as you start to feel a tingling sensation. Avoid the eye contour area.

FRAGRANCE FREE

TARGET
IN-CLINIC

MASK 15

PURIFYING MASK

Mask 15 **purifies** the skin by removing imperfections and dead skin cells. Salicylic and glycolic acids, combined with bentonite, reduce excess oiliness and the appearance of large pores.

For imperfections and irregular texture. All skin types, ideal for oily and acne-prone skin.

ACTIVE INGREDIENTS

15% GLYCOLIC ACID

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

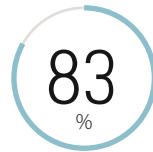

BENTONITE

Highly absorbent clay that helps to tighten the pores and removes toxins and impurities from the skin's surface.

2% SALICYLIC ACID

BHA (Beta Hydroxy Acid) causing a keratolytic action that reduces intercorneocyte cohesion, and destroying lipids that bind the outer cells of the epidermis. Its lipophilic nature helps unclog pores.

CLINICALLY TESTED

of patients feel their **skin has improved** after using Mask 15.*

*In vivo study on the tolerance and efficacy of Mask 15 on 10 volunteers for 21 days with acne-prone skin. European independent contract research organization.

EXPECTED RESULTS

- + Skin is purified, clear and radiant
- + Pores are visibly tightened
- + Appearance of skin imperfections is visibly reduced

DIRECTIONS FOR USE

Apply a pea-sized amount to the face and neck in a thin, even layer. Leave on for two to four minutes and rinse off with water. Use once or twice a week.

FRAGRANCE FREE

50 ml / 1.69 fl.oz

ACTIBIOME

ACNE-PRONE SKIN NIGHT CREAM

Actibiome exfoliates and unclogs pores thanks to the keratolytic action of salicylic and glycolic acids. Supports the skin's natural microbiota in its fight against harmful bacteria.

For skin imperfections and redness. All skin types, ideal for oily to combination and acne-prone skin.

ACTIVE INGREDIENTS

10% GLYCOLIC ACID SOLUTION

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

1% MICROBIOTA REGULATOR

Blend of natural components providing a variety of nutrients to reduce skin redness, imperfections and inflammation by supporting skin microbiota.

1% SALICYLIC ACID

BHA (Beta Hydroxy Acid) causing a keratolytic action that reduces intercorneocyte cohesion, and destroying lipids that bind the outer cells of the epidermis. Its lipophilic nature helps unclog pores.

2% PURIFYING ACTIVE

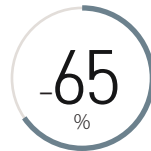

Biomimetic agent inspired by the natural defense mechanism of a marine algae that acts by decreasing lipid production and inhibiting bacteria growth while offering repairing and soothing properties.

*In vivo study of Oxybiome in combination with Actibiome on 23 volunteers for 28 days. European independent contract research organization.

Night

CLINICALLY TESTED

reduction in papules when used in combination with Oxybiome micellar water.*

of patients feel their **skin is healthy** and **smoothed** after following the routine.*

of patients agree that the routine **tightens pores, reduces imperfections and redness**.*

RESULTS

- + Skin imperfections and redness are visibly reduced
- + Pores are tightened and skin is smoothed
- + Skin microbiota is supported for clear and healthy skin

DIRECTIONS FOR USE

Apply to the face and neck area in the evening. Avoid the eye contour area.

40 ml / 1.35 fl.oz

LIGHT CEUTIC

UNIFYING NIGHT CREAM

Light Ceutic gently exfoliates the skin and reduces the appearance of pigment spots, thanks to the combined action of glycolic acid, phytic acid and vitamin C, allowing the skin to naturally regenerate overnight.

For irregular and dull complexion. All skin types.

ACTIVE INGREDIENTS

8% GLYCOLIC ACID SOLUTION

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

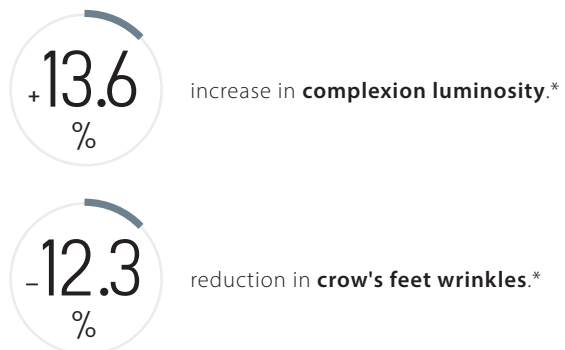

4% PHYTIC ACID SOLUTION

Lightening and antioxidant agent that has a synergic action to brighten the complexion when used with glycolic acid.

VITAMIN C COMPLEX

Potent antioxidant, obtained by vectorizing L-Ascorbic acid using silanol technology, providing protection against the free radicals responsible for photoaging.

CLINICALLY TESTED

RESULTS

- + Natural skin radiance appears restored
- + Overall complexion is visibly harmonized

DIRECTIONS FOR USE

Apply to the face and neck area in the evening. Avoid the eye contour area.

40 ml / 1.35 fl.oz

*In vivo study of Light Ceutic combined with C25 Cream on 20 volunteers for 56 days. European independent contract research organization.

TURN OVER

REJUVENATING NIGHT CREAM

Turn Over reduces the signs of skin aging by removing dead cells. The highly concentrated glycolic acid supports the skin's natural turnover to reduce the appearance of loss of skin tone, wrinkles and fine lines.

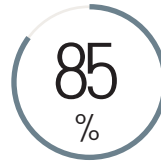

For loss of skin tone, wrinkles and fine lines. All skin types.

ACTIVE INGREDIENT

15% GLYCOLIC ACID SOLUTION

AHA (Alpha Hydroxy Acid) derived from fruit acids and known for its keratolytic action. It easily penetrates the skin to stimulate cell renewal by destroying the links that bind dead cells together.

CLINICALLY TESTED

of patients trust **the efficacy and performance** of Turn Over.*

*In vivo study for the combined efficacy of Dermaceutic peels and cosmeceuticals on 7 caucasian, asian and dark skin volunteers for 56 days. European independent contract research organization.

EXPECTED RESULTS

- + Skin is smoother
- + Skin appears rejuvenated

DIRECTIONS FOR USE

Apply to the face and neck area in the evening. Avoid the eye contour area.

FRAGRANCE FREE

40 ml / 1.35 fl.oz

HYAL CEUTIC

INTENSE HYDRATING CREAM

Hyal Ceutic intensely hydrates and protects the skin all day long thanks to an optimal concentration of high and low weight hyaluronic acids. Combined with repairing and soothing actives, it helps to prevent signs of skin aging. Anti-pollution action.

For dehydrated skin and the first signs of skin aging. All skin types, ideal for oily to combination skin.

ACTIVE INGREDIENTS

5.5% HYALURONIC ACID SOLUTION

Combination of high and low molecular weights that penetrates the skin at different levels to reduce transepidermal water loss, promote healing and stimulate the skin's defense.

10% ALOE VERA GEL

Moisturizing and wound healing active that soothes the skin and reduces inflammation.

JOJOBA OIL

Softening agent that creates a non-oily moisturizing layer on the skin surface with semi-occlusive properties to reduce transepidermal water loss.

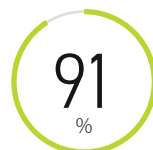

VITAMIN E ESTER

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging.

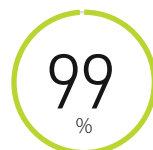

SHEA BUTTER

Hydrating and nourishing agent highly concentrated in fatty acids and vitamins.

CLINICALLY TESTED

of patients agree that **their skin feels replenished** after using Hyal Ceutic.*

of carbon particles are effectively removed from the skin's surface versus 69% on control area.**

increase in hydration and long-lasting moisturizing effect up to 24 hours after application.**

RESULTS

- + Skin is replenished
- + Natural moisture level of the skin feels restored

DIRECTIONS FOR USE

Apply to the face in the morning and evening. Can be applied to the eye contour area.

FRAGRANCE FREE

HYPOALLERGENIC

40 ml / 1.35 fl.oz

*In vivo study for the efficacy evaluation of Hyal Ceutic on 21 volunteers in combination with Activ Retinol and Foamer 5 for 28 days. European independent contract research organization.

**Two in vivo studies on 10 volunteers. European independent contract research organization.

REGEN CEUTIC

NOURISHING HYDRATING CREAM

Regen Ceutic nourishes and firms the skin thanks to its peptides complex. The addition of hyaluronic acid and powerful antioxidants boosts the skin's natural power to protect and repair itself and prevents signs of skin aging.

For aged and dry skin. All skin types.

ACTIVE INGREDIENTS

3% PEPTIDES COMPLEX

Combination of two amino acids linked to a fatty acid that improves skin penetration, which helps stimulate skin healing and collagen synthesis for younger-looking skin.

3% HYALURONIC ACID SOLUTION

Moisturizing agent that maintains skin hydration thanks to its hygroscopic properties, helps to stimulate skin defense and protects against transepidermal water loss.

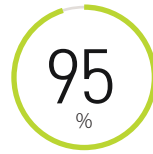

VITAMIN C ESTER & VITAMIN E

Synergic combination of two powerful vitamins providing the ultimate protection against photoaging.

SHEA BUTTER

Hydrating and nourishing agent highly concentrated in fatty acids and vitamins.

CLINICALLY TESTED

of patients feel that **their skin is firmer and regenerated.***

EXPECTED RESULTS

- + Skin is intensely restored
- + Superior skin comfort
- + Appearance of wrinkles is visibly diminished

DIRECTIONS FOR USE

Apply to the face in the morning and evening. Can be applied to the eye contour area.

FRAGRANCE FREE

40 ml / 1.35 fl.oz

*In vivo study of Regen Ceutic efficacy on 21 volunteers for 28 days in combination with a food supplement. European independent contract research organization.

K CEUTIC

POST-TREATMENT CREAM

☀️ SPF 50 - UVA / UVB

K Ceutic **restores** and protects the skin by delivering essential nutrients and a very high SPF 50. Its advanced formula contains a combination of ingredients designed to repair, nourish, protect and soothe the skin.

For fragile skin, redness and post-aesthetic treatment. All skin types.

ACTIVE INGREDIENTS

K COMPLEX

Combination of anti-inflammatory agents that soothe the skin.

GLYCOPROTEIN

Restructuring and regenerative active that stimulates collagen and elastin production.

VITAMINS C & E

Sodium salt form of vitamin C combined with the vitamin E ester form, providing the ultimate protection against photoaging.

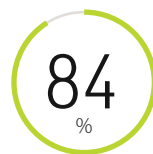

UV FILTERS

Combination of mineral and organic filters that offer broad spectrum protection against UVA and UVB rays.

Day

CLINICALLY TESTED

of patients feel that **K Ceutic is a high-performance product.***

EXPECTED RESULTS

- + Skin is intensely nourished and protected from UV ray damages
- + Appearance due to photoaging is improved
- + Redness and irritations appear soothed for optimal recovery time after aesthetic treatments

DIRECTIONS FOR USE

Apply to the face in the morning and as often as required throughout the day. Avoid the eye contour area.

FRAGRANCE FREE

HYPOALLERGENIC

30 ml / 1.0 fl.oz

*In vivo study for the combined efficacy of Dermaceutic peels and cosmeceuticals on 43 caucasian, asian and dark skin volunteers for 56 days. European independent contract research organization.

PANTHENOL CEUTIC

NOURISHING RESTORING OINTMENT

Panthenol Ceutic **restores** and highly nourishes the skin thanks to ingredients such as panthenol, shea butter and beeswax. Its combination of powerful hydrating and repairing actives helps to soothe the skin.

For post-aesthetic procedures. All skin types, ideal for sensitive and/or very dry skin.

ACTIVE INGREDIENTS

5% PANTHENOL

Moisturizing agent that provides an immediate calming effect on irritated skin.

SHEA BUTTER & BEESWAX

Hydrating actives that prevent dryness and nourish the skin thanks to their film-forming properties to protect it from environmental aggressions.

1% BISABOLOL

Highly tolerated soothing active with anti-inflammatory and skin healing properties.

VITAMIN E ESTER

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging.

EXPECTED RESULTS

- + Skin is soothed
- + Skin is highly nourished
- + Suppleness and comfort are restored

DIRECTIONS FOR USE

Apply to the skin when needed.

SUN CEUTIC 50+

AGE DEFENSE SUN PROTECTION

☀️ SPF 50+ - UVA / UVB
AVAILABLE IN UNIVERSAL SHADE ●

Sun Ceutic 50+ **protects** the skin thanks to powerful UVA/UVB filters and guarantees a SPF 50+. Its unique stem cell stimulator, associated with hyaluronic acid, helps to prevent signs of photoaging.

Ideal for normal to dry skin.

ACTIVE INGREDIENTS

UV FILTERS

Combination of mineral and organic filters that offer broad spectrum protection against UVA and UVB rays.

HYALURONIC ACID

Moisturizing agent that maintains skin hydration thanks to its hygroscopic properties, helps to stimulate skin defense and protects against transepidermal water loss.

ALOE VERA

Moisturizing and wound healing active that soothes the skin and reduces inflammation.

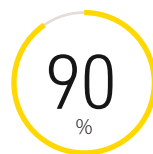

STEM CELL STIMULATOR

Marine algae derivative that accelerates epidermal restoration, improves skin healing and decreases inflammatory reaction to smooth out the appearance of wrinkles.

*Two in vivo studies for the combined efficacy of Dermaceutic peels and cosmeceuticals out of a total of 50 caucasian, asian and dark skin volunteers for 56 days. European independent contract research organization.

CLINICALLY TESTED

of patients are **confident Sun Ceutic 50+ works.***

EXPECTED RESULTS

- + Skin is effectively protected from harmful UVA/UVB rays
- + Skin is protected against signs of photoaging: dark spots, fine lines and dehydration

DIRECTIONS FOR USE

Evenly apply to the face, neck and décolleté 10 minutes before sun exposure. Renew application frequently, especially after contact with water.

FRAGRANCE FREE

50 ml / 1.69 fl.oz

C25 CREAM

ANTIOXIDANT CONCENTRATE

C25 Cream **prevents** the appearance of free radical damage and premature signs of skin aging thanks to its powerful antioxidant formula. A synergy of vitamins C, A, B5 and E neutralizes the effect of oxidative stress.

For dull and irregular complexion, fine lines and wrinkles. All skin types.

ACTIVE INGREDIENTS

25% VITAMIN C COMPLEX

Potent antioxidant, obtained by vectorizing L-Ascorbic acid using silanol technology, providing protection against the free radicals responsible for photoaging.

2% VITAMIN B5

Moisturizing agent that provides an immediate soothing effect on irritated skin.

VITAMIN A ESTER

The most stable and tolerated form of vitamin A. It improves skin texture and helps combat signs of aging.

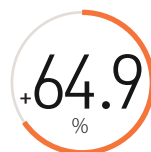

VITAMIN E ESTER

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging.

POLYPHENOLS

Naturally found in grapes, especially red grapes, polyphenols act as powerful antioxidant, preventing lipid peroxidation, and as an anti-inflammatory agent.

CLINICALLY TESTED

RESULTS

- + Skin is revitalized and protected from oxidative stress
- + Complexion appears radiant and harmonized
- + Appearance of fine lines and wrinkles is reduced

DIRECTIONS FOR USE

Apply to the face in the morning, followed by high sun protection.

CLEANER FORMULA
Phenoxyethanol & allergens removed

IMPROVED EFFICACY

TRI VITA C30

30% VITAMIN C SERUM

Industry-leading concentrations of vitamin C for optimal dermorevitalization, free radical protection and skin restoration.

Prevents the appearance of fine lines and wrinkles, loss of elasticity and uneven skin tone.

An innovative combination of 3 forms of vitamin C to reach several depths of the skin and release antioxidant benefits over time.

ACTIVE INGREDIENTS

15% L-ASCORBIC ACID

Provides optimal antioxidant action.

14.5% ASCORBYL SILANOL

Potent antioxidant, obtained by vectorizing L-Ascorbic acid using silanol technology, providing protection against the free radicals responsible for photoaging.

0.5% ASCORBYL ESTER

Combats the signs of photoaging, evens out complexion and boosts skin radiance.

VITAMIN E ESTER

Ester form of vitamin E renowned for its antioxidant properties that helps to combat the free radicals responsible for photoaging.

FERULIC ACID ESTER

Renowned antioxidant that boosts and enhances the photoprotection action of the vitamins C & E.

EXPECTED RESULTS

- + Skin looks younger and healthier
- + Skin appears more radiant

DIRECTIONS FOR USE

Apply to the face and neck in the evening. 3 month treatment recommended.

FRAGRANCE FREE

30 ml / 1.0 fl.oz

ACTIV RETINOL 0.5 / 1.0

AGE DEFENSE SERUMS

Night

Activ Retinol 0.5 & Activ Retinol 1.0 **prevent** the appearance of signs of skin aging thanks to an optimal concentration of retinol, combined with a cocktail of antioxidants and ceramides to help protect and strengthen the skin.

For aging skin with loss of elasticity and dull complexion. All skin types.

ACTIVE INGREDIENTS

0.5% / 1% RETINOL SOLUTION

Anti-aging agent that boosts collagen production to combat signs of photoaging and improves the skin texture.

1% CERAMIDES COMPLEX

Hydrating agent that reinforces the barrier function, provides a well-balanced moisture content and helps the skin to self-regenerate.

VITAMIN C ESTER & VITAMIN E

Synergic combination of two powerful vitamins providing the ultimate protection against photoaging.

PANTHENOL & ALLANTOIN

Moisturizing and soothing agents that provide moisture and skin comfort.

CLINICALLY TESTED

of patients feel this protocol **improves skin texture**.*

EXPECTED RESULTS

- + Appearance of fine lines and wrinkles is reduced
- + Natural skin radiance appears restored
- + Skin texture is visibly smoother

DIRECTIONS FOR USE

Apply to the face and neck in the evening before your daily care. Avoid the eye contour area.

FRAGRANCE FREE

30 ml / 1.0 fl.oz

*In vivo study for the efficacy evaluation of Activ Retinol 0.5 on 21 volunteers in combination with Hyal Ceutic and Foamer 5. European independent contract research organization.

DERMA LIFT 5.0

EYE LIFTING SERUM

Derma Lift 5.0 is formulated for an immediate lifting effect combined with long-term peptide skin-boosting action. Its synergy of ingredients improves the appearance of free radical damage and the signs of skin aging.

For the appearance of sagging skin, expression lines and fine wrinkles. All skin types.

ACTIVE INGREDIENTS

5% PEPTIDES COMPLEX

Combination of two amino acids linked to a fatty acid that improves skin penetration to help stimulate skin healing and collagen synthesis for younger-looking skin.

4% TENSING AGENT

Film former copolymer that provides an instant lifting effect.

1% CERAMIDES COMPLEX

Hydrating agent that reinforces the barrier function, provides a well-balanced moisture content and helps the skin to self-regenerate.

0.5% BAKUCHIOL

Retinol-like agent derived from a vegetal source and known as an effective antioxidant. It stimulates skin cell renewal and collagen production.

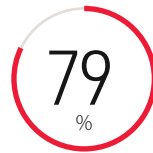

PANTHENOL, ALLANTOIN & MINERAL COCKTAIL

Hydrating and nourishing actives that reinforce the skin barrier and intensely hydrate the skin.

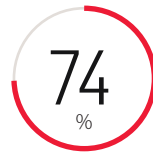

CLINICALLY TESTED

of patients feel that the routine **hydrates the skin.***

of patients feel that the routine **improves skin texture.***

of patients feel that the **skin is firmer.***

RESULTS

- + Skin immediately appears lifted and replenished
- + Skin looks younger and feels revitalized

DIRECTIONS FOR USE

Apply to the eye contour area in the morning and evening, before your daily care.

FRAGRANCE FREE

30 ml / 1.0 fl.oz

*In vivo study for the efficacy evaluation of Derma Lift 5.0 on 21 volunteers for 28 days in combination with Regen Ceutic and Foamer 15. European independent contract research organization.

RADIANCE

BRIGHTENING CREAM

Radiance gently exfoliates the skin and restores its luminosity thanks to the synergy of high-performance acids and lightening agents in optimal concentrations.

For dull complexion, uneven skin texture and skin tone.

ACTIVE INGREDIENTS

KOJIC ACID

Depigmenting agent that inactivates tyrosinase by chelation reaction, blocking melanin synthesis, which is responsible for pigment spots.

ARBUTIN

One of the most potent actives that reduces tyrosinase activity and therefore melanin production.

NIACINAMIDE

Lightening agent that inhibits the transfer of melanosomes. It is also known as vitamin B3 or vitamin PP and helps to decrease the appearance of skin redness.

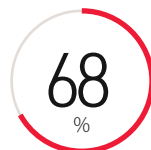

SALICYLIC & MANDELIC ACIDS

BHA and AHA that reduce intercorneocyte cohesion by destroying lipids that bind the outer cells of the epidermis with their keratolytic properties.

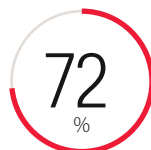

Night

CLINICALLY TESTED

of patients find that their skin has **less visible imperfections**.*

of patients find their **skin more luminous**.*

*In vivo study conducted on 22 volunteers from 43 to 70 years old for 28 days. European independent contract research organization.

RESULTS

- + Complexion is homogenized
- + Pigment spots are visibly reduced
- + Skin luminosity is restored

DIRECTIONS FOR USE

Apply in the evening on the full face, focusing especially on pigmented areas. Begin twice a week and increase frequency progressively. 3 month treatment recommended.

FRAGRANCE FREE

30 ml / 1.0 fl.oz

YELLOW CREAM

DARK SPOT CORRECTOR

Yellow Cream **targets** and reduces the appearance of dark spots thanks to optimally concentrated lightening agents associated with the exfoliating action of glycolic and salicylic acids.

For dark spots, skin imperfections and irregular complexion.

ACTIVE INGREDIENTS

KOJIC ACID

Depigmenting agent that inactivates tyrosinase by chelation reaction, blocking melanin synthesis, which is responsible for pigment spots.

ALPHA-ARBUTIN

One of the most potent actives that reduces tyrosinase activity and therefore melanin production.

LICORICE EXTRACT

Lightening agent that regulates the dispersion of melanin which is responsible for pigment spots, to help homogenize complexion.

MORUS ALBA EXTRACT

Antioxidant agent rich in resveratrol and vitamin C that limits the production of melanin by inhibiting tyrosinase to effectively reduce pigment spots.

GLYCOLIC & SALICYLIC ACIDS

AHA and BHA that speed up exfoliation and destroy lipids that bind the outer cells of the epidermis, to help promote cell renewal and brighten the complexion.

Night

EXPECTED RESULTS

- + Dark spots are visibly reduced
- + Overall complexion is more even

DIRECTIONS FOR USE

Apply in the evening on dark spot areas. Avoid the eye contour area.

FRAGRANCE FREE

15 ml / 0.50 fl.oz

Depigmenting agent that inactivates tyrosinase by chelation reaction, blocking melanin synthesis, which is responsible for pigment spots.

ARBUTIN

One of the most potent actives that reduces tyrosinase activity and therefore melanin production.

PHYTIC ACID

Lightening and antioxidant agent that has a synergic action to brighten complexion.

SALICYLIC & MANDELIC ACIDS

BHA and AHA that reduce intercorneocyte cohesion by destroying lipids that bind the outer cells of the epidermis with their keratolytic properties.

NIACINAMIDE

Lightening agent, also known as vitamin B3 or vitamin PP, that inhibits the transfer of melanosomes and helps to decrease the appearance of skin redness.

RETINOL

Anti-aging agent that boosts collagen production to combat signs of photoaging and improves skin texture.

LICORICE EXTRACT

Lightening agent that regulates the dispersion of melanin which is responsible for pigment spots, to help homogenize complexion.

Night

EXPECTED RESULTS

- + Appearance of pigment spots is reduced
- + Complexion is harmonized

DIRECTIONS FOR USE

Apply once a day on the full face, focusing especially on pigmented areas. If Retinol has never been used before, begin 2 times a week, increasing frequency progressively. 3 month treatment recommended.

FRAGRANCE FREE

30 ml / 1.0 fl.oz

DUAL+

ANTI-BLEMISH SERUM

Dual + is formulated with a unique combination of two forms of azelaic acid and lightening actives to offer a double action against pigment spots and emerging breakouts. Comedolytic and non-comedogenic effect.

Prescribed to target the appearance of pigment spots and acne-prone skin induced imperfections.

ACTIVE INGREDIENTS

AZELAIC ACID

Versatile active recognized for helping to reduce melanin production, decrease bacteria growth in the follicle and for normalizing skin keratinization. Effective on acne-prone skin and pigment spots.

POTASSIUM AZELOYL DIGLYCINATE

Azelaic acid derivative that helps to inhibit melanin synthesis, reduce sebum secretion and provide skin hydration.

HEXYLRESORCINOL

Innovative skin lightening agent that reduces melanin synthesis by acting at different levels in the melanogenesis pathway.

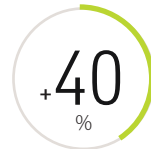

ALPHA-ARBUTIN

One of the most potent actives that reduces tyrosinase activity and therefore the production of melanin.

CLINICALLY TESTED

visible reduction in blemishes.*

immediately more mattified skin.*

decrease of acne-related redness.*

decrease of pigment spots intensity.**

*In vivo study of Dual+ in combination with Hyal Ceutic on 20 volunteers for 28 days. European independent contract research organization.

**In vivo study of Dual+ in combination with Regen Ceutic on 20 volunteers for 28 days. European independent contract research organization.
